A Message from the President

September is at our doorstep and many volunteers are busy organizing our new season of activities which gets under way next month.

Our summer maintenance crew was once again busy making improvements to the building. Thanks to all the board members and volunteers who contributed their time and effort to improving our club this summer.

For the upcoming season, additional volunteers are needed to help with a myriad of tasks required during league play, bonspiels and entertainment events. Many hands make light work so please contribute some time in your league or during one of our club events. Volunteers are also needed from each league to send photos and reports to the ROAR, Facebook and website.

The 2016-2017 curling season kicks off on October 1 and our new entertainment coordinator Suzel Julien and past president Rob Williams have organized the 3rd annual **Golf & BBQ** event. For all the details check out the Entertainment report later in this package.

The **Open House** (General Public) will take place on Sunday, **October 2nd, 2016** from 2:00pm until 5:00pm and Monday, **October 3rd** from 6:30pm until 8:30 pm. The **Junior Open House** will take place on Saturday, **October 1st** from 11:30am until 2:30pm.

The **Opening Dinner** will launch our social year on Saturday, **October 29th**. Our entertainment committee is ready to wine, dine and entertain you. Additional information for this event will follow soon.

Match (Ladder & Bonspiels)

Dear Club Members,

As Match Director for the upcoming curling season, it is my pleasure to communicate with you at this time. I hope you've had a great summer and are getting in top shape for another great season of curling.

I want to thank Stew Yaxley for directing match last season and with the help of my budding committee, am looking forward to working hard towards making next season as memorable as possible.

At this time all the usual events are being planned. However there is some room for flexibility in formats. I invite you to email your suggestions or comments to me at jeffcomputers@gmail.com

Regarding the Tuesday and Thursday ladders, please notify your skips of your intention to either return to the same team or whether you have made other plans.

If you are looking for a team to join, please advise me and I will do my best to match individuals with teams looking for players.

The curling season kicks off with the 2-day **President's Fun-Spiel on the 5th & 6th of October** (Wed & Thurs). This is a great opportunity to get a chance to gather your legs under you before your regular leagues begin. You can sign-up at the club or email me if you'd like to play. If you're only available for 1 of the 2 nights, please advise me accordingly.

It is my opinion that our membership is a fun-loving and friendly group and I would encourage members to take part in events that provide the opportunity to play with members other than their ladder teammates.

That's a great way to get to know some great folks who have been fellow members while playing in groups other than the ladder.

I'm looking forward to hearing from you or seeing you soon.

Montreal West Day Ladies' League

Welcome to the Day Ladies 2016-2017 season of curling and socializing.

Day Ladies curl Monday, Tuesday and Thursday mornings, with a mix of ladder and round robin formats. To learn more about our League and what plans we have for the coming year, all current Day Ladies and any lady curlers interested in our League are invited to the Opening Coffee Party on September 28. Also plan to come to our Curling Clinic on October 4 and Fun Day on October 6 to limber up before games begin in earnest after Thanksgiving.

Montreal West Mixed Day Curling League

Hello! Hoping everyone had a good summer!

Here's a little information about our league

We are a forty-plus mixed league and we play twice weekly at 12:30pm. All men and women, 40 plus, retired, or available in the afternoon, due to shiftwork, work from home, etc., are invited to join us.

Our league organizes bi-weekly half & half draws, a Christmas luncheon with entertainment, and a closing luncheon. We also organize a 26-game interclub schedule with home and away games. These interclub games provide our league teams with the opportunity to compete against other curling clubs in the Montreal area. Our league also organizes three district bonspiels with teams competing from various clubs in Quebec and Ontario.

Our league starts up in early October and we will have clinics before the first game for beginners, as well as for all the players. Our league also supplies (in support of the club) volunteer barmen and ice-management volunteers to ensure a congenial atmosphere.

Our league wishes all the curlers in the club an enjoyable and successful 2016/2017 season!

Evening House League

Welcome back all curlers! The Wednesday Evening House League is where you want to be mid-week! Our league is open to all MWCC members and is aimed at curlers wishing to hone their curling skills in a friendly and relaxed social setting.

Our league is composed of curlers of differing abilities where experienced curlers may often act as mentors to the newer, less-experienced crowd. The more experienced curlers usually play third or skip. *Newbies* who have completed at least one complete season in the Instructional League are welcomed & incorporated into teams with the more experienced curlers. Registration is individual, and teams are sorted out by our Match Chairperson. We strive for balanced teams to ensure pleasant competition. Our league features:

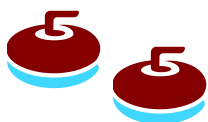

- 8-end games (2-hours in duration)
- 2 round-robin competitions
- Curling skills workshops
- Change of team composition for each competition session

For 2016-2017, depending on the number of players who register, some late-draw games may be scheduled in each session.

The EHL league may require several spares each week to fill the roster of players. Spares may be placed in any positions according to ability and need (not restricted to lead-second as in other club leagues). If you are interested in helping out on an occasional basis, please contact the Match coordinator: Angela Marszalek at match.ehl@gmail.com

Come join us for more curling action and fun. First game is October 12 – mark your calendars!

Bonnie Soutar, president

Bonjour à tous les ami(e)s du curling!

La ligue mixte du mercredi soir est la continuité d'un héritage de 30 ans d'histoire de la ligue antérieure connue sous le nom de «Business Ladies». La ligue est ouverte à tous les membres du Club de curling de Montréal-Ouest, que vous soyez un débutant ou un joueur d'expérience. L'inscription est individuelle et les équipes sont formées par les responsables des matchs. Notre ligue tente d'équilibrer les forces et les talents des participants afin d'assurer des joutes agréables. Surtout nous favorisons une atmosphère détendue et plaisante pour tous.

Deux sessions à la ronde avec changement d'équipe à chaque session sont prévues. Nos parties se jouent tous les mercredis. Nous jouons habituellement en début de soirée : pour 2016-2017, selon le nombre d'inscriptions, il est possible qu'un nombre de matchs par session soient joués plus tard en soirée. Nous prévoyons également un ou 2 sessions de formation durant l'année.

Notre ligue requiert des joueurs de remplacement à toutes les semaines. Les joueurs de remplacement peuvent jouer à toutes les positions, même en tant que skip. La position est attribuée selon l'expérience et l'habileté du joueur. Si vous désirez participer à notre ligue comme joueur remplaçant, communiquez avec Angela Marszalek à l'adresse suivante: match.ehl@gmail.com

Nous vous attendons donc en grand nombre!

Bonnie Soutar, présidente

Friday Night Curling – Wilkinson / TGIF

In 2016 we will once again have two sections of the Friday night league with each group having separate co-ordinators, the Wilkinson and TGIF groups.

The Wilkinson Mixed League uses the format where two males and two females play on a team for the curling year. If the skip happens to be female, the second is also a female and the third and lead are males. Should the team wish, the skip position can alternate for any or all games.

The TGIF has teams formed from all of the available players and the F/M composition of each team will be set by the coordinator in an attempt to balance the teams. Once the teams have played all of the other teams, a new session will begin and the teams rebalanced.

On October 7th, Wilkinson games will start at 6:30 and TGIF games will start at 8:45 pm. The following week the TGIF will start at 6:30 and the Wilkinson will start at 8:45. The schedule will alternate each week for the curling season.

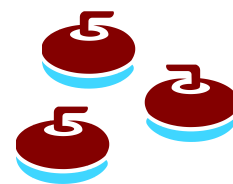

Another tradition is that food is available from about 8:10 on because many players who start at 6:30 have not had time to eat before play starts and many people who start at 8:45 prefer to eat out on Friday evenings.

We need someone to coordinate the food this year and a second volunteer to run the Half and Half draw each week. Please contact Jim Doyle jdoyle@enviromark.ca or 514-481-1128 to volunteer for these important positions.

For more information or to sign up for Friday night, contact:

Wilkinson: Jim Doyle < jdoyle@enviromark.ca > 514-481-1128

TGIF: Randy Fraser < rfraser28@gmail.com > 514-903-4735

We look forward to filling 8 sheets on Friday night and having fun.

Jim & Randy

Curling Rocks!

Montreal West Curling Club Junior Program

Dear Junior Curlers and Parents:

Welcome back to the Montreal West Curling Club Junior program. The 2016-2017 season is about to begin and we are looking forward to seeing everyone. The **Junior Open House** is on **Saturday, October 1st from 11:30 a.m. to 2:30 p.m.** The club's Open House is Sunday, October 2nd from 2-5 p.m. and Monday, October 3rd from 6:30-8:30 p.m.

Junior ice time is on Saturdays from mid-October through April. The MWCC Junior program has two sections: Little Rock and Big Rock. Little Rocks runs from 9:30 to 10:30. Big Rocks goes from 10:30 to 1 p.m. The practices blend skill development exercises with mini-games and are combined with in-house league play (the Myke Wilder League) in which all juniors can participate. MWCC juniors may also participate in various interclub events and bonspiels throughout the season.

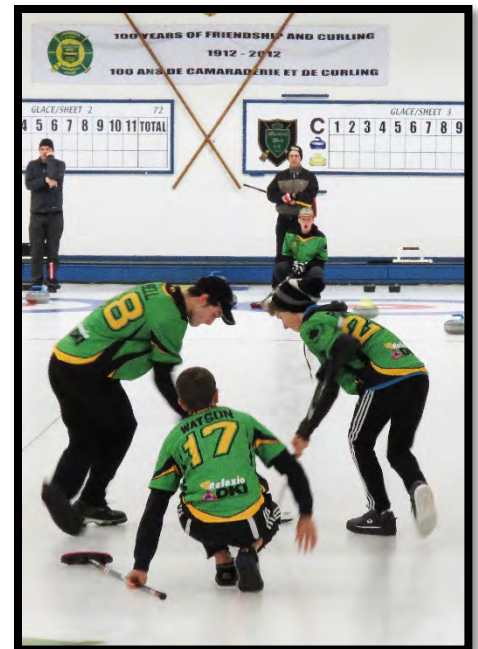

Below is an overview of the components of the junior program.

- ❖ **Little Rock Program:** Saturdays from 9:30 a.m. to 10:30 p.m. Curlers from the age of 8 to 11 learn about the game from qualified coaches and volunteers. The primary focus is on ice safety and slide and delivery mechanics in order to give the curlers the best basis on which to build their game.
- ❖ **Big Rock Program:** Saturdays from 10:30 a.m. to 1 p.m. Curlers 12 and up continue to develop their curling skills. Qualified coaches work on skills and strategy development. The coaches typically teach a skill or strategy for the first 60 minutes and then the curlers play a four-end game to further develop that skill.

- ❖ **Myke Wilder Junior League:** This is the MWCC Junior In-house league and is scheduled about 8 times during the season at the club during the Big Rock time slot. It is primarily for the Big Rock players but Little Rock players may also stay and play if they have the interest and stamina. During league weeks, games typically start at 10:30 a.m. and the curlers play 6 ends.

- ❖ **Interclub competitions:** Various curling clubs in the Montreal area host games for both Little Rock and Big Rock curlers. These clubs include Montreal West,

Pointe-Claire, Glenmore, Baie d'Urfé, St Lambert, Mont Bruno and Laval Curling Clubs. Games are held at the participating clubs throughout the year on Saturday and Sunday. The schedule is currently under development and MWCC junior curlers are encouraged to participate at least once in interclub play.

- ❖ Other Bonspiels and Events: Various clubs and the local curling Branch organize bonspiels with different degrees of competition throughout the season. Two examples are the annual Quebec Games (very competitive) and Tim Caverly Christmas Bonspiel (fun competitive). The junior committee helps individuals/teams enter these events with qualified coaches as required and requested.

The annual fees for juniors are \$118.05. Fees are payable by cheque (payable to the **Montreal West Curling Club**) or by Interac. In addition, the Junior Board collects an additional \$20 for each child which will be used to provide the weekly snack and special treats throughout the year. This \$20 is payable preferably by cheque to the **MWCC Junior Program**.

We encourage you to come out to the Open House and get ready for the season ahead. Please feel free to contact any member of the junior board (see below) with any additional questions.

Little Rocks Mark Watson (514-488-5943 or A050@sympatico.ca)
Big Rocks Trish Dempsey (438-822-0152 or trish.dempsey@hotmail.com)
Coordinator Janet Walpole (514-246-8099 or janet.walpole@sympatico.ca)
Member-at-Large .. Jim Cochrane (514-489-6546 or jim.ccr@sympatico.ca)

P.S. The Junior program is looking for on-ice help and snack support. Please contact Janet if you can come out and help a few days during the season.

Instructional

The Montreal West Curling Club has, for several years, organized an Instructional Group to teach curling to new Adult members. This year we plan to continue this activity and it is operated on Monday evenings. The Junior program has its own instruction on Saturday mornings.

The Instructional classes will start on **Monday, October 17th** at 6:30pm and people attending can decide, after the first lesson, if they would prefer a later start on subsequent Monday evenings.

In addition to the actual classes, the club provides people with curling equipment for their use while on the ice. Once someone is familiar with the game they may decide to purchase some or all of their own equipment.

As you would expect, a curling rink is kept at a cool temperature. Please bring a warm jacket – a fall jacket will be perfect, gloves and clean running shoes (cleaned and not worn outside) with rubber or non-slippery soles.

Existing members can join the classes to work on Improving their technique starting in November.
