

Dear members!

Here's your chance to participate in the amateur curling Olympics at MWCC

The **Montreal West Junior Curling Annual Invitational Funspiel** is being held on **February 10, 2018**. This annual curling funspiel is an important fundraiser for the Montreal West Junior Curling program. It is also a lot of fun. If you know of someone (or several people) who would be interested in a fun night of curling, please forward this invitation. I guarantee that this evening will be nothing like what you see on television. We do, however, have lots of prizes.

The first 64 registered people are in. Please respond as soon as possible so that we can get the teams lined up. You may bring your own team in as long as it is NOT A STACKED TEAM. The organizers reserve the right to mix things up. J

The minimum age for participants is 16, although we may be able to make exceptions for EXPERIENCED junior curlers aged 12 and older.

Please RSVP **BEFORE FEBRUARY 3** to janet.walpole@sympatico.ca or Normand.savoie@cn.ca. Janet's phone number is 514-246-8099.

The Annual Montreal West Junior Curling Invitational Funspiel will take place at:
